## E. TRANSPORT of BALD and GOLDEN EAGLES FROM THE UNITED STATES FOR SCIENTIFIC OR EXHIBITION PURPOSES (CITES)

This application is for a permit under the Convention on International Trade in Endangered Species of Wild Fauna and Flora (CITES) and the Bald and Golden Eagle Protection Act (BGEPA) for the transport from the United States of bald eagle (*Haliaeetus leucocephalus*) or golden eagle (*Aquila chrysaetos*) parts for scientific or exhibition purposes. BGEPA regulations provide that bald and golden eagle items may be transported out of or into the United States on a temporary basis. The item may not change ownership and the same items, unchanged, must be returned to the sender at the conclusion of the exhibit/project. If you will be transporting any other species listed under CITES (e.g., river otter), or other species listed under the Migratory Bird Treaty Act (e.g., songbird, hawk), in addition to bald or golden eagle parts, you may include them in this application.
